STORY OF A SLAVE.
To be bound hand and foot for years
by the chains of disease is the worst
fate of slavery. George D. Williams,
of Manchester, Mich., tells how such
a slave was made free. He says: "My
wife has been so helpless for five years
that she could not turn over in bed
alone. After using two bottles of
Electric Bitters, she is wonderfully im-
proved and able to do her own work."
This supreme remedy for female dis-
eases quickly cures nervousness, sleep-
lessness, melancholy, headache, fainting
and dizzy spells. This miracle work-
ing medicine is a godsend to weak,
ly, run down people. Every bottle
guaranteed. Only 50 cents. Sold by
